

Classic Prawn Salad

Ingredients

Prawns sufficient for your needs
Iceberg lettuce
Parsley
Ketchup
Mayonnaise
Worcestershire sauce
Tabasco

Method

Toss the iceberg and parsley together and place half in the base of 2 glass serving dishes.

Mix together the ketchup, mayonnaise, Worcestershire and Tabasco sauces then stir in the prawns.

Spoon half the prawn mixture into the serving dishes and top with the remaining lettuce. Finish with the remaining prawns and sprinkle with smoked paprika. Serve immediately.

Tip

Try replacing the iceberg with shredded round lettuce. Try using tiger prawns and add a little harissa paste to give a spicy flavour. Serve in 4 wine glasses for a classic starter.
